**2017 Fixtures**

# THE GAME OF GOLF

Golf is a game which depends a great deal on tradition and long established custom for its charm. It follows quite naturally that a Golf Club is a conservative institution. The standards required should extend to the choice of dress, and generally, to conduct on the course and in the Club House. It is strongly emphasised that the fundamental rule is consideration to fellow members.

**Dress:** Golf attire must be clean neat and tidy at all times. Competition Dress Rules displayed in the Pro Shop.

# GOLF ETIQUETTE

**CARE OF THE COURSE:** Before leaving a bunker all players must carefully smooth over all holes and footprints. Rakes are to be left in the centre of the bunker.

Through the green a player must ensure that any turf, cut or displaced by a player is replaced at once and pressed down, and that any damage to the putting green made by the ball or the player, is carefully repaired.

Players must ensure that when placing down bags or the flagstick, no damage is done to the putting green and that neither they nor their caddies damage the hole by standing close to it, handling the flagstick or in removing the ball from the hole. The flagstick must be properly replaced in the hole before the players leave the putting green. Players must not damage the putting green by leaning on their putter, particularly when removing the ball from the hole.

In taking practice swings, players should not cause any damage to the course and tees by removing divots.

It is compulsory to carry and use a sand bucket at all times.

**GOLF CARTS:** The following conditions apply to all motorised cars:

- Obey all directional signs
- Keep to pathways where provided;
- Do not drive within five metres of all greens and tees unless on a pathway;
- Two persons only in each cart. Improper use of carts will result in disciplinary action.

Members are asked to pay particular attention to the following paragraphs

- observance of them will add to the pleasure on the Course of all concerned.

**COURTESY ON THE GOLF COURSE:** In the interest and in consideration of all, players must play without delay. No player should play until players in front are out of range.

Players searching for a ball must signal the players behind them to pass as soon as it becomes apparent that the ball will not be easily found; they should not search for five minutes before doing so; they must not continue to play until players have passed and are out of range. When the play of a hole has been completed, players should immediately leave the green.

**BEHAVIOUR DURING PLAY:** No one should move, talk or stand close to or directly behind the ball or hole when a player is addressing the ball or making a stroke. To speed up play, the honour may be taken by the first player in readiness or it is suggested that shorter hitters may play first, but only when the preceding group is out of range.

**PRIORITY ON THE COURSE:** Maximum number of players in any group shall be four unless directed by the Match Committee. Two-Ball matches have precedence and are entitled to pass any three or four-ball match. A single player has no standing and must give way to a match of any kind.

Any match playing a whole round is entitled to pass a match playing a shorter round. If a match fails to keep its place on the course and loses more than one clear hole on players in front, it must allow the match following to pass.

# HANDICAP & METHOD OF PLAY

## CONDITIONS OF PLAY:

All players are requested to familiarize themselves with the current Conditions of Play.

## GENERAL:

### ***STROKE, PAR, STABLEFORD***

Full Handicap

### ***FOURSOMES***

*Half of Aggregate Stroke Handicap* - Players hit off from alternate tees, and then play alternately with one ball.

### ***CANADIAN FOURSOMES***

*3/8ths of Aggregate Stroke Handicap* - Both Players play from their tees, select favoured ball, playing alternate strokes until holed out.

### ***AMERICAN FOURSOMES***

*3/8ths of Aggregate Stroke Handicap* – Both Players play from their tees, exchange balls and play a further shot before playing alternately with the favoured ball until holed out.

### ***PINEHURST FOURSOMES***

*3/8ths of Aggregate Stroke Handicap* - Both Players play from their tees, play a further shot with their ball before playing alternately with the favoured ball until holed out.

### ***FOUR-BALL BETTER BALL***

*Full Handicap*- Stroke play (including both Par and Stableford).

### ***MIXED FOUR-BALL MATCH PLAY***

Reduce the Handicap of all players by a handicap of the lowest handicapped player who then play off scratch. Each of the other three players are allowed all of resulting handicap.

### ***IRISH FOUR-BALL***

*Full Handicap* - Played by a team of four, comprising all men, all women or a combination of both. The score is the best score by any two of the four in the team. This event may also be played with a 'Twist'.

#### ***4 or 5 CLUB EVENT***

In a 4 club event, players are only permitted to carry 4 clubs. Carrying a putter is optional and you may putt with any club in a way that does not damage the green. In a 5 club event, players are only permitted to carry 5 clubs, one of those **must** be a putter. You cannot declare excess clubs “out of play” they **must** be removed from your bag before commencing the competition.

#### ***AMBROSE***

**Handicaps:** After calculations are made ( $1/8^{\text{th}}$  of the total in 4 ball and  $1/4$  of the total in 2 ball).

**Tee Shots:** Each Player must use at least 6 of their tee shots in 2 ball and 3 in 4 ball. The scorer must record on each hole whose tee shot is used. This does not apply to Ambrose “Dropout”.

**On the Fairway:** Place a marker within one club length of the chosen ball. Such ball to be played as it lies, other balls may be **placed**, as near as possible to the position from which the ball was marked, (no nearer the hole), any order of play.

**Off the Fairway:** Same procedure as above, except, balls other than the chosen ball shall be dropped in the same conditions (no nearer the hole) i.e. hazard, rough, bunker.

**On the Putting Green:** The chosen ball **must** be marked. Other balls to be putted within one **putter head length** either side of the chosen ball, no nearer the hole. Any order of play. Do not make tap in putts until all players have had the opportunity to attempt the original putt. Once the ball is holed out, no further strokes are permitted.

#### ***FOUR-BALL AMBROSE DROPOUT***

All four players make their tee shot. Select the best drive and **mark the ball**. The player who owns the best drive picks up the ball and does NOT play the next shot – the player “drops out” of the next shot. The other 3 players make their shots. Select the best of these. Mark the ball and the owner of the marked ball picks up ball and “drops out” while the other 3 players play the shot. Continue like this until hole completed. Placing or dropping the ball on fairway/green/rough is the same as for Ambrose.

#### ***MATCH PLAY***

Difference of Stroke Handicap.

#### ***FOUR-BALL MATCH PLAY:***

Reduce the handicap of all players by the handicap of the lowest handicapped player who will then play off scratch. The other three players are allowed all of the resulting handicap.
