## ABOUT CLUBGRANTS

Last year, registered clubs allocated more than \$100 million to deserving causes through the ClubGRANTS program.

Since the scheme began, clubs have given more than \$1 billion to recipients such as Surf Life Saving, the Ted Noffs Foundation, Vision Australia and Legacy. ClubGRANTS funding is available to community groups, charities and sporting teams across NSW.

Approximately 500 clubs voluntarily allocate funds to the ClubGRANTS scheme. Funding is available under three separate categories:

*Category 1: Supports community welfare and social services; community development; employment assistance activities; community health services; and projects aimed at improving the living standards of low income and disadvantaged people.*

*Category 2: Provides funding for general community development and support activities, such as junior sport.*

*Category 3: Is a state-wide fund that supports large-scale community infrastructure projects, such as hospitals and sporting facilities.*

The program is made possible through the support of NSW clubs, local councils and the NSW Government.
