Introducer Discount 25% off Entry Fee

Past participants in the Ace of Clubs could receive a 25% discount on their 2019 entry. The aim is to reward people who have supported this tournament in the past, if they introduce new people to the tournament, or encourage others to return who may not have participated for some time. The following conditions apply:

1. The person seeking the discount (the introducer) must have previously played in the Ace of Clubs tournament.
2. The discount applies only to the introducer/s – not to the new or returning player/s – unless the returning player/s also become an introducer.
3. Maximum 25% discount per introducer. For example, if a couple introduce a new player, only one discount applies for one introducer. If a couple introduce a couple, then the discount applies to each introducer. If one introducer brings two new players, the maximum 25% discount applies to the introducer.
4. New (or returning) players are considered to be someone who hasn't played in the tournament in the last 2 years (2017 or 2018).
5. Introducers seeking the discounted entry must attach the new player's entry to theirs. Separate payments can be processed but the entries must be received at the same time.
