

Don Hobill aces the 17th at PMGC.

Don Hobill continued the recent spate of hole in ones on Saturday at PMGC making the third such occurrence in the past five weeks.

Don has been playing golf for the past 60 odd years and this was his first ever hole in one, not doubt a huge thrill after all those years trying, good stuff old boy.

Martin Fraser continued his recent good form edging out the unlucky Leon Moodie on a countback for the score of the day trophy with a great score of 42 points, taking the B grade along the way. In somewhat of a consolation prize Leon claimed the C grade by one point from Paul DeZwart.

Steve Cann mustered up 39 points to out shine the balance of the A grade field, with Al Rowlands becoming a lot more consistent with regular play scoring 39 points to head off the D grade challengers.

Naturally Donny Hobill collected the \$218 for the Sails golden shot, with the 17th being the hole to hit a good one on.

Wednesday saw a healthy field of 156 players and on this occasion 41 points by James Wheeler took out the A grade and the score of the day by one point from Warren Thomas. Warren has been on an extended holiday and one would suggest when he gets back into full golfing mode he won't be in C grade for too long.

David Hall and Peter Bootes took the cash in B and D grades respectively with solid rounds of 38 points.

Lincoln Warne took the golden shot cash \$202 and 34 points collected a ball on Wednesday and you needed one better (35) to collect on Saturday.

Good fields turned out for ladies play this week with over 130 rounds played for the week, the course is in really great shape so no excuses for not fronting up.

The winners for the ladies this week were Marilyn Mott and Diane Warden on Tuesday. Margaret Moulton-Ware and Helen Haining on Thursday, and on Saturday Cheryl Ramsay took the cabbage.

On Sunday at 4 pm we had a nine and dine social event which was well attended, thanks to those who rolled up. Two more such days are gazetted for the last Sunday in March at 4pm and the last Sunday in April at 3pm (as daylight saving will be done). A good way to enjoy the company of some members you don't normally play with.
